RE: 2022 DANUBE VESSEL UPGRADE

Dear all,

It is with great pleasure to announce a change of vessels for our 2022 Danube Discovery cruises from Vienna to Bucharest as we replace the M/S “Vivienne” with the M/S “River Governess”. While all the included services, and prices will remain unchanged, the advantages of the Governess in comparison to the Vivienne are as follows.

<u>COMPARISON</u>	<u>VIVIENNE 4*</u>	<u>GOVERNESS 5*</u>
• BUILT	2004	2010
• RENOVATED	2012	2019
• TOTAL PASSENGERS	134	136
• CREW	36	40
• CABIN SIZES	150 SQ FT	172 SQ FEET
• PASSENGER DECKS	3	3
• CABINS WITH FRENCH BALCONIES	1 DECK/15	2 DECKS/54
• SUITES	2	4
• RESTAURANT	1	1
• LOUNGES	1	2 (extra Club lounge aft)
• SUN DECK	1 level	Multilevel (shaded)
• JACUZZI	/	1

In a nutshell the M/S “River Governess” is newer, with larger more spacious cabins and public areas providing a higher level of comfort and luxury to our valued passengers. While we love the Vivienne, the opportunity to get a newer and better vessel for the same cost was not to be missed. Please take a moment to log on to our web site to see photos of the [River Governess](#) and our YouTube channel to see a new video of the vessel with more to come!

We are delighted with this upgrade and we are convinced you will be too!

Sincerely

Samo Toplak &
Your Value Team
